

Your people, no problem.

HR, Workers' Compensation,
OH&S and Wellbeing Services

Our Services customised to your needs

When your business works with HRAnywhere, your people are no problem, wherever you are in Australia, New Zealand or further abroad. Whatever challenges you have with your employees, our recommended solutions and approach will ensure that you can get back to focusing on running your business while we partner with you on the people matters.

Human Resources

When you think about your employees a lot can come to mind in the HR space. Whether it be dealing with a people issue, ensuring you are compliant with relevant employment law or trying to implement a new initiative in the business our team can support you.

OH&S and Wellbeing

Make sure your business is compliant and your employees are safe. Use our OH&S services to assess and support your existing OH&S practices to help you improve your processes and deliver a first-class safety management system for your business and team.

Workers Compensation

Understand your required cover and your obligations. We can also support you with managing Workers Compensation claims from beginning to end.

Worker's Compensation Premium Review

Many businesses may be overpaying their worker's compensation premium. We offer our clients a "no result, no fee" review service that has resulted in substantial refunds and future premium savings for many of our clients.

Our Packages

We understand that every business is different, and your HR needs will be different as well. That's why we offer a range of customisable packages from one-off pieces of work or projects, all the way to providing you with a full outsourced HR solution always tailored to your needs.

Project & Support Services

We offer a wide range of support and expertise when it comes to any people issues, projects or support you require. No matter what the need, our team can provide HR services on a case-by-case basis.

Ongoing Email & Phone Advice

Get expert advice via phone and email – through our People Matters Advice service.

From understanding your employment obligations, to working through employee issues, terminations and everything in-between. We are here to support you with a cost-effective subscription model.

HR Supplement

As the name implies, HR Supplement is about us providing you with reliable and experienced HR Practitioner support to assist you in 'getting the job done' when it comes to people aspects of your business, when you need it. From supporting you during leave, with projects or peak periods we are here to provide the support you need.

Total Outsourced Solution

Businesses who are struggling to manage HR themselves and do not wish to commit resources to establishing their own in-house HR department are able to access the services and support of a large HR department by outsourcing this to us. We provide a range of outsourced solutions to meet your business's needs.
